RE: Yaworski Lagoon, Canterbury Township, Connecticut

Dear Mr. Gallagher:

Ross & Roberts Holding Corporation was organized in 1987. The only activity of such Corporation was to purchase the outstanding stock of Ross & Roberts Inc. Ross & Roberts Holding Corporation does not have any manufacturing facilities whatsoever. As such, it is obviously impossible for Ross & Roberts Holding Corporation to have had any waste to be disposed of. Therefore, Ross & Roberts Holding Corporation categorically denies to have any contracts or agreements for disposal of any material at the Yaworski Lagoon..

You are requested, therefore, to remove Ross & Roberts Holding Corporation from any lists specifying a potential liability.

Very truly yours,

ROSS & ROBERTS HOLDING CORPORATION

Michael Rosenberg
